

Saturday, May 16

2:00 - 6:00 pm

**The Stacks at Revolution Mill
2001 Yanceyville St.
Greensboro, NC 27405**

Your sponsorship will help fund programs like

- Teens Gotta Talk – a mental health program attacking the teen suicide epidemic
- Expanding availability of our current extensive programming including education and facilitated support groups
- LIFT Program - an innovative Peer Support apprenticeship increasing the number of certified, trained peers available to help others

Mental Health Greensboro is working to **Stomp the Stigma** associated with mental illness. Every family and every business are affected by mental illness, directly or indirectly. Mental illness is still stigmatized. Children, teens and adults with mental illness are more likely to be viewed as dangerous, lazy and incompetent. They are more likely to be victims of violence. They are more likely to face barriers to employment, housing and social acceptance. Everyone benefits from reduced discrimination against mental illness.

About Mental Health Greensboro

Mental Health Greensboro advances mental wellness in our community through leadership, education, direct services and collaborative partnerships. We assist individuals to manage their symptoms, stay in recovery, rebuild relationships, and pursue life goals such as higher education and employment opportunities.

We believe that recovery is successful when individuals take an active role in learning about their diagnoses and strategies for managing their symptoms. We are Greensboro's only dedicated peer support recovery organization combining peer education, peer coaching, support group facilitation and peer support specialist training.

Mental Health Greensboro (formerly the Mental Health Association in Greensboro) is a registered 501(c)(3) charitable organization, and has been a partner and neighbor in Greensboro and Guilford County for 80 years.

When mental illness affects you or someone you know or love, Mental Health Greensboro is here to provide you with the most up-to-date information, programs, and services that better inform and provide support for you and other members of our community.

A sponsorship provides additional funding for the programs and services at Mental Health Greensboro. It also promotes your organization as a generous partner in supporting local nonprofit organizations like MHG who are working to advance awareness of mental health issues and better the lives of people in our community. It is a wonderful way to encourage your employees to be a part of a fun event and provide positive community leadership.

If you are considering a sponsorship, we invite you to join our cause, and welcome any questions you may have about the benefits and impact of your contribution.

- **In-kind donations** will be categorized at retail value.
- **Media sponsors** will receive Gold-level benefits.
